

Scrip Tuition Credit Program

The Parent-Teacher Partnership (PTP) of St. John the Evangelist School is committed to helping our school families provide the best Catholic school education for their children. The PTP developed the Tuition Credit Program (TCP) several years ago to provide parents with a means of alleviating some of the burden of meeting rising tuition costs. Currently, the TCP offers the opportunity to earn tuition credit through participation in the Scrip Program.

Participation in the TCP programs offered is not limited to school families. Anyone can participate and donate their earnings to a school family. Additionally, if you choose not to use the credit for your family, you can donate your earnings to another family, school program, teacher, general PTP fund or the school directly.

This packet has been designed to give you the information you need to make the most of the Tuition Credit Program. Throughout the school year, you will receive updates from the Tuition Credit Program as well as information on upcoming events. These updates will be shared through the weekly email from the school, as well as on the TCP website.

We are always looking for ways to help families with the rising cost of tuition. We are open to new ideas and your feedback on the programs we offer. If you would like to volunteer or have an idea for future program offerings, please feel free to contact me or any other of our wonderful volunteers.

Thank you,

Stephanie Anderson

HOW TO SIGN UP FOR SCRIP

- ❖ Go <http://www.shopwithscrip.com> → Click “Register” in the top right corner → Click on “Join a Scrip Program” → Copy and paste this code into the Enrollment Code box: A857EFL85563 → Double check that the next screen shows “St. John PTP/MD” in the top right corner of the screen.
 - **IMPORTANT**
 - Enter your child’s name as the student (you can leave the classroom/group field blank)
 - Make a note of which of your phone numbers you use on the account
- ❖ You must sign a Scrip Agreement to be submitted to St. John. You will not be issued any rebate until this agreement is signed. The form takes less than a minute to fill out and is available at: <https://sites.google.com/site/stjohnstuitioncreditprogram/more-information/-important>
- ❖ Go back to www.shopwithscrip.com → Log in to your account → click “Family Functions” on the left side of the screen → click “Presto Pay” → click “Family Registration” and go through the steps to set up a new account
 - This is now handled two ways.
 - NEW -Select banks now do not require this process. If your bank is linked with the SCRIP program it will ask you to logon to your online banking in the SCRIP screen. If you do this it will provide you with instance authorization to start shopping and you will not be required to wait for a deposit to activate the Presto Pay.
 - Other banks do not allow that access and it will be handled the traditional way.
 - They will deposit two small amounts into your checking account with about two business days. Be on the lookout for them and make a note of the amounts when you see them. As soon as they show up go back to Presto Pay and complete the registration process.
 - Once you have entered the necessary information you will be given a four-digit code. Write that code down and go to <https://spreadsheets.google.com/spreadsheet/viewform?formkey=dGNuZDlNN2hHZjUyZXJrTC0wSWppZFE6MQ> to complete the Presto Pay approval form for St. John.
- ❖ There is also an app called My Scrip Wallet that you can use while out and about if you are interested. This is not a required step by any means. More information about the app is available here: <https://www.shopwithscrip.com/Support/faq/msw>
- ❖ If you are ordering a physical card you will need to pick it up for you at the Scrip table at the school. A lot of cards can then be reloaded online using your account and Presto Pay after that first purchase. You will need to check the icon on the retailer you are purchasing from to see which ones allow reload and virtual cards (this is obvious once you are in the system).
